

photo by Stefania Cogliani

**February
23-27, 2011**

The atelier is not a specialistic place, it is rather a metaphor of the research process with children and of listening on the ways children have to learn and research together.

Loris Malaguzzi

**Wednesday, February 23
City Ateliers**

Infant-toddler centres and Preschools will open their ateliers to the families to explore creativity through languages and knowledge.
At the Loris Malaguzzi International Centre open ateliers for parents waiting for the Urban Atelier.

Info: www.scuolenidi.re.it

**Saturday, February 26
The night of the tales - 9:00 pm
Waiting for Reggionarra - The city of the stories (May 14, 2011)**

A time to re-discover the value and magic of narration.
From Reggio Emilia an invitation to read, narrate and listen at the same time, all together even in different places and countries.

Info: **Laboratorio Teatrale Gianni Rodari**
tel. 0522 456585 - laboratorio.rodari@municipio.re.it
