## Real Kids ELC

*327 Hobsonville Road, Hobsonville*

Real Kids Early Learning Centre, or RK as friends call us, is a hub dedicated to nurturing learning and development. Our ethos is deeply rooted in the Reggio Emilia educational approach, aligning our values with its principles.

ERO has endorsed RK as a progressive and high-quality learning environment, reflecting our commitment to excellence. From our youngest learners to preschoolers, our curriculum is carefully designed to encourage curiosity, creativity, and critical thinking.

We take pride in our professional team, whose passion for teaching is evident in every interaction with our children. Together, we strive to create a community where learning is a joyful and meaningful journey, guided by our shared values and a commitment to excellence in education.

## Pakuranga Baptist Kindergarten

*2 Fremantle Place, Pakuranga*

At the heart of the Reggio Emilia approach is the idea of the child as empowered, creative, full of potential, and capable of building their own theories.

At Pakuranga Baptist Kindergarten we provide a beautiful, curated Kindergarten environment, where teachers encourage children to wonder, explore, inquire, and make their own discoveries.

We're passionate about developing children's love and respect for the environment, so we explore our local estuary, and that drives much of our local curriculum and is supported by the provocations for learning that we design for our environment.
