We warmly invite kaiako to join us as we open our doors and share our learning and teaching environment, as well as the values that anchor our practice.

The evening will include:

- A guided tour of all our learning spaces — from our infants through to our preschool
- Opportunities to discuss with representatives from our teaching team
- A 15–20-minute session unpacking one of our core values:

The Image of the Child and how this is reflected in our daily work with children and made visible in our learning environment

This invitation is open to all kaiako seeking inspiration and opportunities to engage with like-minded colleagues.
