

CONFERENCE 2020

Reggio Emilia Provocations presents:

Narratives of Possibilities

Unpacking Childrens' Many Ways of Seeing and Thinking

Friday 27th March – Sunday 29th March 2020

About the conference

In collaboration with Tiziana Filippini and an Atelierista (Reggio Children, Italy), Harold Göthson (Sweden), Professor Linda Mitchell and Thelma Chapman (Aotearoa New Zealand), RE Provocations invites you to a thought-provoking weekend of international and local speakers.

Speakers Include:

Tiziana Filippini

Marco Spaggiari

Harold Göthson

Professor Linda Mitchell

Thelma Chapman

Our aim is to start to unpack and explore the ways children utilise their many languages of learning to investigate the complex and varied world(s) they operate in. We will explore concepts of the child as a citizen, democratic practice, and the extraordinary potentials of children, within international and local contexts.

Conference participants will have time to engage in reflective conversations and explore their ideas further through a workshop and centre visits.
