# Perth Study Tour 2019

11th - 14th July 2019

RE provocations is offering a tour to Perth to attend the Reggio Emilia Australian Conference

## Landscapes Of Transformation Changing education for changing times

Perth Convention and Exhibition Centre

Reggio Emilia Australia Information Exchange

*Research for a new culture of childhood*

We have taken other tours to the Australian Biennial conferences and participants have thoroughly enjoyed the presentations and the opportunity to gain a deeper understanding of the Reggio approach to teaching and learning. This conference is a great professional learning opportunity featuring engaging speakers from Reggio Emilia, other overseas speakers, viewing the 'Hundred Languages Exhibition' and inspiring centre visits.

A conference for enlivening our own imagination and exploring more deeply the curiosity and imagination of children as they connect and interconnect within and between the arts, science, reality, fantasy, identity and towards transformation.
